

FRESHMAN FAMILY ORIENTATION NIGHT

Do you have an incoming Freshman? Please join us for Family Orientation Night for the incoming 2019-2020 freshmen class on Wednesday, January 23rd at 6:00 p.m. in the Bertha Frank Performing Arts Center.

The evening includes an Activities and Curriculum Fair. Please bring your rising freshman! We hope to provide you and your student with as much information as possible about the academic, co-curricular, and extra-curricular offerings of Morton High School. Students will get to tour the building and enjoy an activities fair, including co- and extra-curricular offerings, while parents gain valuable information to contribute to a smooth transition to high school. The Curriculum Fair will begin around 7:00pm.
