Providing an Education to Last a Lifetime

iPad Damage/Loss Procedures

Morton District 709 is providing and administering an accident protection plan for students and parents as part of our personal computing initiative. This plan covers “accidental damage,” loss or theft to the device and is designed to limit a family’s financial responsibility for any incidents as described in the coverage section below. In addition, each device is covered under a manufacturer's warranty that covers normal operation of the device to ensure that it is functioning properly.

Effective Coverage/Expiration Date

- Effective Date: First day of student possession of the device.
- Expiration Date: Last day of student possession of the device.

Coverage
