

Band Boosters

The MHS Band Boosters is the parent organization that assists in supporting the needs of our band program. Though many of their efforts are directed toward marching band, the Band Boosters also assist with the needs of our concert bands as well.

Members of the Band Booster Board work closely with our head band director to assist in fundraising and in volunteering to make sure that our programs operate smoothly and are of the highest quality for our students. Each year, the Band Boosters host a number of fundraising events to raise money and support for the numerous marching competitions, trips, and/or camps that our students attend. The Band Boosters have been instrumental in assisting MHS with purchasing a number of items, including the marching band trailer in 2004.

Parents interested in getting involved in the Band Boosters should call the high school at 309-266-7182 and ask for Mr. Tim Gray. He will be able to provide information on how to become a member of the MHS Band Boosters.
