

Attention all dual credit and Strong Start students!

ICC is providing a Pass/No Pass option that students will have for their college courses. Early.College@icc.edu will help as much as they can with this process. Detailed instructions were sent to all students at their ICC email address. You will need to access your ICC eServices account (<https://eservices.icc.edu/psp/eservices/EMPLOYEE/CAMP/?&cmd=login&errorCode=106&languageCd=ENG>) and complete a form. The window to complete this will be between May 29 - June 12.
