

Morton Boys Basketball Shooting Camp May 30th, 31st, June 1st.

CAMP OVERVIEW- During each session players will be taught proper shooting mechanics and footwork. Each camper will leave camp with an understanding of what they need to work on with their form throughout the summer to create habits to become a better shooter. Players will be taken through shooting drills that will emphasize proper footwork and allow them to take the drills to perform on their own throughout the summer. The last day of camp will also consist of some fun shooting competitions.

Morton Boys Basketball Skills Camp June 5th, 6th, 7th.

CAMP OVERVIEW- Each day, emphasis will be placed on both offensive and defensive skills. During each session players will go through fundamentals of dribbling, passing, shooting, and 1 on 1 work. This camp will have stations that players will rotate through, allowing them time to work on the specific skills under the supervision of Morton coaches and high school players. The last day of camp will also have some fun skills competitions.
